Assessor Comments	Killara Rise offers R891 a real quality bull that presents himself very well. He has a great temperament and has great muscling, depth, and length. These Simmental bulls, show plenty of length through the body, width and muscle through the

	stifle, rump and loin. Dam bloodlines originate from renown trait leaders, Buckingham Usher, Woonelle Hadau and Woonelle Boulder, Mount Mooney Nuclear has bred on powerful bulls with all the right commercial attributes, with his own breeding steming back to Woonallee Tornado. These young Killara Rise sires have all the right breeding and plenty of profitability for any herd. Whether it be vealer production, feeder steers or grown bullocks, these bulls will do the job for you. He also has full goggles on the eyes, he has it all, pretty hard to fault.
