|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Assessor Comments | Killara Rise offers R915 a moderate frame, thick set bull. He has a great temperament and pleasure to handle. Good Simmental bull, showing plenty of length through the body, width and muscle through the stifle, rump and loin. Dam |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

bloodlines originate from renown trait leaders, Buckingham Usher, Woonelle Hadau and Woonelle Boulder, Mount Mooney Nuclear has bred on powerful bulls with all the right commercial attributes, with his own breeding stemming back to Woonallee Tornado. These young Killara Rise sires have all the right breeding and plenty of profitability for any herd. Whether it be vealer production, feeder steers or grown bullocks, these bulls will do the job for you. Full goggles around eyes.
