Good to handle quiet bull

Handled With	On foot
Assessor Comments	Killara Rise offers R889 who is long, later maturing type poll bull. He has plenty of leg under him to travel and was good to handle. Note his IMF 4.7. Good Simmental bull, showing plenty of length through the body, width and muscle through the

	stifle, rump and loin. Dam bloodlines originate from renown trait leaders, Buckingham Usher, Woonelle Hadau and Woonelle Boulder, Mount Mooney Nuclear has bred on powerful bulls with all the right commercial attributes, with his own breeding steming back to Woonallee Tornado. These young Killara Rise sires have all the right breeding and plenty of profitability for any herd. This bull would suit the feeder steers or grow out to bullocks. this bull also has full goggles around eyes.
