Temperament

Yards	Crush	Paddock
Quiet: 11 head Slightly Stirry: 1 head	Quiet: 9 head Slightly Stirry: 3 head	Temperament not assessed in Paddock

Good to handle, no stress involved in assessment process. It was a windy day so attitude wasn't as per usual. See video as they stroll calmly out of yards, some where jumpy in race and scale platform but the cattle are not stirry and settled well after weighing. They respect and prefer some space in and around yards.

Handled With Bikes , Dogs , Vehicles
