Assessor Comments	Buyers an opportunity to buy 3 decks of VGQ PCAS eligible crossbred weaner heifers. These weaners have all the right bloodlines and genetics and are best described as medium to large frame relative to age. Weaners have been weaned for over a week at delivery and are very well educated by vendor through yards. A very reputable line of cattle for sale that will be ideal to put away on grass and grow out to heavier weights. Heifers will suit to grow out as future breeders or make excellent trade feeders. At assessment 1 x heifer noticed to have a slight twist in nose but wasn't seen as detrimental. **PLEASE NOTE BUYERS THIS IS A RUN OUT THE GATE WITH THE LINE BEING 218 HEAD**
