	Cattle are a pleasure to work through yard and flowed through the race well. The odd steer stirred in crush at assessment while being weighed and mouth but settled once back in the mob.

Assessor Comments	Buyers a 3 deck line of good quality Brahman & Droughtmaster X trade steers that show plenty of bone, depth and frame. These steers are best described as large frame and in forward store condition, that will excel with weight gains in the feedlot or on improved pastures. Steers are all branded #1 with the selection mouthed all presenting milk tooth. This is a line of steers ready to perform on grain or grass with good compensatory weight gains. All steers HGP treated with a Revalor 400 in April '21'. **Vendor also 2 x other lots in same sale**
