Assessor Comments	Buyers a great opportunity to secure a 2 deck line of steers of this quality. They are out of large framed predominately Angus/Santa or Angus/Charolais/Hereford cross cows by high priced Lawson, Wattletop & Dulverton Angus bulls and show great length, depth & bone and phenomenal weight for age. These steers have a great reputation and are highly sought after when normally sold as Feeders, they will perform on grass or grain and would be ideally suited to put on oats to take through to heavy feeder market or alternatively taken through to grass Jap ox. Vendor would normally take steers through to heavy weights but selling entire run of weaner strs this year to make room for breeders . Vendor has 2 decks of Angus brothers in same sale.
