| Assessor Comments  | Attention all cattle breeders today we have on offer 10 very well bred Angus Heifers. This is a genuine line of Angus Heifers that will make fantastic future breeders. The Heifers averaged 337kg and have great frame and style. While on mum the Heifers have had access to a creep feeder in which has really given the Heifers the best start in life and I'm sure has helped them grow to what they are now. You will note two smaller Heifers this is only due to their age. Please also note Heifers are currently being weaned. For any more info please call Chris Simpkins |
