Assessor Comments	Buyers, here is a A grade line of weaned straight Angus heifers with top quality genetics, no heifers have been retained. These heifers present in fresh store condition averaging 257kg. Heifers have tremendous thickness with depth of flank and softness, but still show great breed type with femininity. Heifers are bred out of top quality southern bred Angus cows by very good quality stud Angus sires. This line of heifers where very quiet to handle through yards and in race. Buyers note vendor has steer line in same sale. 2 heifers showed spot of old blight scaring but not detrimental.
