	Typical unweaned weaners. Fine to work through and race a small number got nervous in the crush but settled straight down when returned to the mob.
Handled With	Bikes , Dogs
Assessor Comments	This is an excellent draft of weaner steers presenting in good condition and health They are sired by Stud Texas Angus bulls with the cow herd mainly Texas blood with a small number of Rennylea blood cows purchased as heifers. These steers will meet any section of the trade from grass fed, feedlots to heavy export. One with white on the belly and one with a slight blue eye noted not considered detrimental. Their sisters are also being offered in this sale. There is one lighter steer that may show in the Video at 220kg it will not be delivered. These steers are unweaned and will be loaded straight off mum.
