Assessor Comments Excellent quality Wagyu Angus cross F1 weaner steers. These steers are out of a mixed herd of purchased cows predominantly TeMania blood, that were specifically chosen for F1 production. They are sired by high indexing Wagyu bulls (pedigrees in media). They show exceptional growth for age and frame for their young age. These calves are part of a complete sale of the vendors 2021 drop. There are 7 other lots in this sale.
