Assessor Comments	Excellent quality Wagyu Angus cross F1 weaner steers. These steers are out a mixed head of purchased cows predominantly TeMania and Bowen blood, that were specifically chosen for F1 production. They are sired by high indexing Wagyu bulls (pedigrees in media). They show excellent growth for age and frame for their young age. These calves are part of a complete sale of the vendors 2021 drop. There are 7 other lots in this sale.
