Assessor Comments	Very good line of vendor bred feeder steers, sired by Telpara Hills Brangus bulls out of Brangus/Angus x cows(ex McIntyre station bred cows) good growth, plenty of bone, will suit feeders or grow out and finish for specialised grass fed markets, steers are well handled, these steers are more of an ultra black style instead of a traditional brangus type, good types, plenty of natural shape and volume, 2 broken baldy's, 1 blue, 1 with a white belly
