	Easy to put together in the paddock, move through yards quickly, do not need a lot of pressure to move them, heifers do like their own space. Mouthed without a lot of stress.		
Handled With	Bikes , Dogs		
Assessor Comments	23 well breed Angus heifers ready to join or suit a high end feeder market, all pretested empty in February and have the ideal frame to suit multiple markets. Heifers originally purchased for an F1 program though due to a bull breaking down and missing joining these heifers must go. Please note a couple of heifers become stirry when in close contact.
