Handled With	Yard weaned prior to assessment, generally good to handle Bikes		
Assessor Comments	A nice line of vendor bred steers sired by the Harlees Limousin & Cascade Angus bulls out or Hereford cross and limousin cross cows. Steers are well handled and weaned and would be ideal grow out. Steers show good growth for age, solid bone and good shape. Steers are grass fed and antibiotic free. Vendor has heifers in this sale as well
