Assessor Comments	A nice line of vendor bred heifer sired by the Harlees Limousin bulls & Cascade Angus bulls out or Hereford cross and limousin cross cows. Comprising blacks, reds and baldies of both colours. These heifers are well grown and are weaned		

ready to take to the next level of joining or growing out to trade or heavier weights. Heifers generally show good shape, softness and confirmation. Previously these heifers have been sold successfully into trade markets with very good results. Heifers are grass fed and antibiotic free I
