Assessor Comments	A great opportunity to purchase a well bred line of Angus/Hereford cross heifer weaners 9-10 months of age, bred out of large frame Hereford cows by Trio Angus Bulls. These heifers are showing growth for age along with softness and bone. 3 heifers had small blue scar on eye. This is the annual sale of Angus/Hereford heifers with none retained and Vendor will also offer 50 Weaned Angus heifers in the same sale. There heifers are in fresh condition and would be ideal heifers to retain as future breeders.
