All ewes are yellow tags, June July '21 drop, January shorn and joined for a 6 week period. Well bred ewes that have plenty of frame and weight (average 64.5kg) to do a magnificent job on their lambs. Suckers ready to sell into the spring lamb market. Excellent mothers that produce a top shelf prime lamb. Please note: Also for sale in this Auction are 80 Samm X ewe lambs, same joining, same results.
