Assessor Comments	Aussie White ewe lambs to take home and freshen and put rams with, Bred from a white dorper X base originally, To be offered as two runs out the gate of 195 & 195, This represents the full drop of lambs with a 25% tail removed, Lambs have done it a bit tough over the last month while vendor has been sowing but with the right feed and animal health treatments you will have a nice article to join shortly Note 3 ewes with a black spot on head. Opportunity to get into the Aussie White breed without the fancy Aussie white price.
