Assessor Comments	Young females, that still lack maturity but show plenty of length and style to grow into productive future matrons. These females do not lack any quality, By Retallick Border Leicester Rams out of Demondrel Ewes. Renowned performing females that are often brought by in house clients and go on to be prime lambs producers. Just spent 6 weeks with Hillview Dorset Rams at 2%. These are a class line of bold headed, long bodied females with a good jacket on them. Perfect for a buyer wanting a one mark draft of quality Ewes with a Spring drop lamb in their belly. These Sheep will not disappoint.
