| Assessor Comments | Quality line of 2&3yo Ewes being dispersed due to farm sale. Consisting of 294 2yo and 98 3yo, these ewes are a very good medium frame, Plain Bodied and are Unmulesed. They were unjoined this season only due to the vendors farm selling process. This flock is a consistent producer of bright, white quality wool sitting around 5Kgs of 18 micron fleece, as well as averaging 100% lambing over the years. These ewes are ready to be joined with the ram of your choice and would be ideal for either Merino or crossbred enterprises. Ewes will be crutched prior to delivery. Vendor also has another line of 227 ewes in this sale to assist with trucking. |
