These cattle were good to handle trough the crush but need a bit of space in confined area but settle well after being left alone

Handled With Bikes

Assessor Comments Buyers a very good opportunity to purchase some good quality Santa Cross heifer. These cattle were good to handle

	through the crush. All heifers have been weighed to avg 311kg with a low weight of 284kg and a top weight of 326kg. These heifers would be good to grow out to the feeder market or to join to a bull of your choice.
