	Excellent temperament. Steers will be weaned from assessment. Fed oaten hay in the yards and tailed out daily on very good feed.
Handled With	Bikes , Dogs , Horses
Assessor Comments	Top quality draft of Angus weaner steers. Complete drop with small tail removed (9%). Steers are very well grown and in good condition. Show very good bone and type. By Texas Stud Angus bulls out of large frame Angus cows (photos of cows attached). Excellent temperament - being weaned since assessment. Note 2 steers had start of blight which will be treated with Orbenin cream and a patch applied. (Photo of 1 steer included). Odd steer has slight rubbing around eye from Buffalo fly. Suitable steers to take through as heavy feeders. Steers come highly recommended. Please note: I have taken 5% weight loss from full weight - steers will be weaned from assessment but will be on very good feed - oaten hay and very good grass. Buyers to make their own judgement on weight loss.
