| Assessor Comments  | A good line of Brahman and Brahman cross steers. Mostly soft types. Good growth for age. Purchased ex Tamworth store sale. The heaviest cattle were mouthed and were true milks. Cattle are on the do and will go ahead given the opportunity. |                                            |                                     |
