Weaners were great to handle through the yards. Drafted easily from others in the mob through the round yard. Came

	quietly through the crush.
Handled With	Bikes , On foot , Vehicles
Assessor Comments	A nice small line of Angus and Angus Cross Weaner Steers. Calves are fresh in condition and are showing plenty of weight for age. Steers were weaned 3 weeks ago and were quiet to handle throughout the drafting and processing. Ideal steers to grow out for the feedlot markets or finished for either Domestic or Export markets. Buffalo Fly present on the calves. Note - 1 head with old blue eye scarring.
