Assessor Comments	an even line of first cross Wagyu steers. these steers are out of angus and B/B cows and are by the DoorKey Wagyu sires. they were yard weaned early May 2021 and have been running on fresh green pastures since. there is a percentage of red tinge through these steers and 3 with white faces. Please refer to photos for better visual description. Also please note that are yards within approx 25km with 3 deck access if required to split trucks.
