Handled With			
Assessor Comments	these steers are out of angus and B/B cows and are by the Speckle Park sires. they were yard weaned early May 2021 and have been running on fresh green pastures since. there is approx 10 with red and white coats, however these cattle are progeny of an angus and B/B cow herd. Please refer to photos for better visual description. Also please note that are yards within approx 25km with 3 deck access if required to split trucks.
