Assessor Comments: A lovely line of Complete drop of Angus X Hereford steers. They'll grow into attractive feeder/trade cattle or export steers. They would excel on crop or fresh pasture they have been weaned into smaller paddocks and had access to hay. The steers are all weaned up and ready to fire on some good pasture and or winter crop. They are good square cattle with a lot of volume and capacity. Steers are by the good stud Eaglehawk Angus bulls out of Hereford cows. Based on 4 cow family's as listed in bloodlines info. They include cow family's purchased from The Bell family, Purcehouse Farms, CTK cattle co, Sevenbardot P/Herefords. NOTE Cattle have been 100% weighed individually & will be sold run out the gate. Also some

	animals showing signs of sore feet due to the assessment process through muddy/stoney yards only. These are nice cattle and are genetically backed with performance.
