Assessor Comments: **FUTURE BREEDERS/BACKGROUNDERS LOOK ON** On offer a 3-deck line of 81 Brahman Heifers. Cattle averaged

	335kg at assessment, and present in store, to forward store condition. These heifers have plenty of frame and stretch, whilst maintaining great feminine characteristics. Cattle were purchased ex Northern Australia as light weaners and have acclimatised well. These heifers are "on the do" and would suit anyone looking for future breeders, as well as those looking to take advantage of the season with cattle ready to grow out and on-sell. Cattle were pleasant to handle in the yards; flowed well, easily blocked would suit any good cattleman. An opportunity presents itself here with a 3-deck line of cattle that are ready to go ahead! (Note: Odd heifer with old buffalo fly scarring, not detrimental to the health of the animals)
