On the basis these steers have just been weaned they handled exceptionally well through the pound, race & vet crush.

Handled With	Bikes , Dogs , Horses , Vehicles
Assessor Comments	Weaned and handled daily, Bred very well, EU Accredited, renowned performing young steers that will not disappoint. These steers come from a great herd of cows that have been scrutinized for performance for over a decade. In the past these steers have been bought by PCAS producers as the vendors are willing to sign a stat dec. Buyers buy with confidence as these steers they are great young cattle. I highly recommend them.
