All heifers were good to handle through the yards and crush. A few moved a little quick when pressure was put on them due to being young. Most simply walked through the yards and all settled when left alone.

Handled With: Bikes , On foot , Vehicles

Assessor Comments: Opportunity here. Good quality hereford heifers. Will make great future breeders or suit backgrounding job. They have a nice quiet temperament. Should grow out to be very good replacement females. *Note cattle were in the yards overnight before weighing but still on cows. Were split a couple hours before weighing. Vendor has another lot of steers in this sale.
