| Assessor Comments  | The steers are a credit to the vendor. They all present in very good health and fresh in condition. Please note there may be the slight old pink eye scare in less the 5 %. The steers are either ready for this years or crop or an ideal put away for long term bullock. The hard work has truly been done.                                                                         |                           |                             |
