Assessor Comments	A outstanding line of weaned vendor bred Angus steer calves that average 329ks. These steers are out of a large framed Talooby based Angus herd by Gilmandyke and Millah Murrah Angus bulls. These steers are ideal to take onto feedlot weights or grow out to be bullocks. These steers are extremely quiet and come with the highest of recommendations. Buy with confidence. Please note that the same vendor has 2 other lots in the same sale.
