Assessor Comments	One deck of crossbred steer weaners that will be weaned off their mothers onto the truck at delivery. These steers are ready for a finishing enterprise if given the opportunity on good feed in warmer conditions. There is one hand reared charolais x calf weighing 188kgs that is a bit lighter in condition, but very quiet(see photo). Please see photos and videos for types of steers that are being offered. The vendor has 30 of the heifer portion in the same sale that might help with trucking arrangements.
