Assessor Comments

30 Angus & Angus Cross Heifers, averaging 287kg empty at assessment. These Heifers were weighed after an 18 hour curfew and show plenty of opportunity for weight gain. They were purchased Ex Casino in November 21 as weaners and are only for sale due to the ending of an agistment paddock. These Heifers are perfect to background on a crop and grow into heavy feeder heifers. They were good to handle throughout the yards and will power ahead on good feed if given the opportunity. Buy with confidence.
