Assessor Comments	Good line of 60 Friesian steers a/c Waihemo that have frame. Always well reared and properly weaned these cattle are healthy and continuing to do well. They are extremely quiet being bucket fed and handfed daily. These steers have had a drench and vaccination and all properly marked with a knife. Hard to get decent size lines of straight Friesian steers they ideal to buy and tip out. There is a white steer bit bigger and older in mob. Noted 1 calf had active pinkeye and was treated at assessment. Please note same vendor has another lot of 14 steers in same sale.
