Handled With	Good calves to handle, noticeably quiet when coming through the crush at assessment Bikes , Vehicles								
Assessor Comments	A line of well bred Angus Heifer weaners, AVE 386 KG at assessment. These are the top of the drop. The smaller and younger heifers have been drafted out to keep them even for joining or fattening. They have top genetics and great temperament showing through from the Reiland Bulls, these heifers will grow out into perfect future breeders. Please note: 6 with light pink eye scarring, 1 with white spot on navel and odd and roughly 4 heifers showing a little bit of white on the utter. There is 30 steers off the same property in todays sale.
