Assessor Comments	An opportunity to secure a neat line of Limousin backgrounding steers. Steers were purchased last year in September - December from predominantly Riverina and some South West VIC Store Sales. Steers presented show good shape, bone and will excel for any producer looking to take these steers on through to heavier markets with another good year ahead. Since purchasing the steers, monthly weights are recorded and monitored with having these steers currently averaging 0.650 ADG. All health treatments are done on arrival of trade cattle. ****BUYERS NOTE**** Odd steer has slight blemish from old pinkeye scarring. Consider not detrimental.
