Assessor Comments	Heifers that present with ample frame and in fresh to forward store condition with plenty of upside to fatten for the lucrative Winter/Spring market or join to the bull of your choice as an opportunity as future breeders. Well bred heifers that carry Ardrossan, Rennylea and Jarabee bloodlines from a noted district herd that haven't been exposed to the bulls at any stage. Very odd heifer noted with a wart or old ringworm scar. Note the vendor has another lot of steers in this auction on this property and another lot of heifers on their other property.
