Handled With	Extremely well handled cattle. Have had a lot of practise loading and unloading in trailer (see video). Was a rough set up for weighing and steers were easy to get onto scales and move in small yards. Horses , Vehicles		
Assessor Comments	A neat pen of Texas Longhorn and Corriente/Longhorn steers. Steers are well handled and have been roped as calves. Were currently being used for campdraft training but have to be sold due to vendor having work commitments and selling of horse. Purchased from Heath Nicholls, Scone 6 months ago. Steers present in forward condition and have enjoyed the good season being seen. These steers have plenty of rodeo left in them and would suit any horse/rodeo type enterprise. Steers are practised at loading into trailer (see video) and are very easy to handle. Please note: Vendor can deliver to Cooma Saleyards if needed to get on bigger truck. Agent can arrange freight to Riverina with weekly market trucks to Wagga.
