	The Coolongalook cattle are well known for their exceptional temperament traits and it is a credit to Judy and the team for continually putting forward animals with such good behaviour. These heifers were an absolute pleasure to handle within the yards and crush area.		
Handled With	Dogs , On foot , Vehicles		
Assessor Comments	A magnificent line of Red Angus and Red Composite females. This herd has been based on Paringa and Milwillah blood, and these heifers are of medium/large frame and will make ideal future breeders. During pregnancy testing these females were palpated and deemed internally sound for breeding purposes. These cattle come highly recommended and will stand any inspections.
