Assessor Comments	Nice little mob for someone as a start up breeder herd, these are well bred Cows and are very quiet. have been running in Lantana Country for those that may require it. Lovely Cattle to handle and well grown and plenty of bone with them. These Cows only had big weaners removed on the 1st May 2022. Couldn't fault these Cows, are going to make a good addition to someone's herd. Cows have had 3 calves so far and Heifer has had 1, and all been running back to a Murray Grey bull . . . These vendors also have 2 x 2 Cows & Calves in the same Auction .. TICK FREE
