Assessor Comments	Buyers a good opportunity to secure a good line of medium to large frame Cows. Cows look to be doing a great job on their Calves producing good milk and having good fresh sappy Calves averaging 146kgs with 15 of them being over 200kgs. These Cows have had the opportunity back to a Bull running with Angus and Red Angus Bulls. These Cows present a good opportunity for a restocker or a trade for a fatten and split operation or a restocking breeder program with them being only mid age Cows. Please note, looked to be 1 Calf that isn't getting enough milk and looked to be a poddy but the vendor mothered all of the Cows up prior to assessing and he definitely has a mother just looked to be lacking in milk.
