Heifers wanted to keep on the move in the yards, no malice shown but certianly unsettled. Vendor advises that they have been good in the paddock and easy to handle there, just unsettled when yarded.

Assessor Comments	14 PTIC Santa and Santa cross Heifers purchased as NSM in January 2022 and joined to the Stud Poll Hereford bull. Heifers weighed 310kg to 418kg to average 371kg 4 hours off feed, with an estimated curfew weight of 356kg. Heifers were unsettled in the yards however my vendor advises they are quiet in the paddock and appeared that way when let out - no malice shown in the yards. Please note 15 heifers appear in the photos and video - 1 was removed following preg testing as she was undetectable. Sister lot in same sale.
