Assessor Comments	6 good quality Angus Hereford cross Heifers purchased as weaners in January 2022. The heifers show great weight for age and femininity and would be ideal for joining this year to the bull of your choice. Heifers weighed 318kg to 394kg to average 347kg 4 hours off feed, with an estimated curfew weight of 333kg. Heifers were good to draft and access and very quiet in the paddock. Sister lot in same sale.
