Assessor Comments	A nice line of Angus heifers that were purchased to join and resell. Heifers are well grown and to calve in a tight window to GlenMorgan & Trio Angus Bulls. Cattle are upto date on Animal health and have been very well handled ,grazing behind a single hot wire in a rotational grazing system. These heifers are a couple of different marks and were purchased as larger lines of cattle. These heifers were to be retained by vendor as breeders but have decided on a different direction
