Assessor Comments	A line of mixed age cows. Cows only on the market as the vendor is tightening up the calving after good pregnancy test results. Two cows have white on udder and one cow has a cloudy eye that does not affect her vision at all. These cows had calves weaned from them on the 23/03/2022 and are in very good condition. These females were purchased with the property and have been on a 7-1 program.
