	These cattle were generally good to handle. A few cows became irritated when isolated or pressured.							
Handled With	Bikes , On foot , Vehicles							
Assessor Comments	A handy line of crossbred cows & calves. These cows are all sound mouth & are doing a great job on their calves. They have been continuously running back to the Charolais bull so there is the potential for 3in1 units, One cow had a horn rubbing on her face that was removed at assessment.
