Assessor Comments	An opportunity to secure high quality commercial females backed by proven genetics such as Twynam. Mixed aged cows that present in good condition with sound structure. A great package being Station Mated and with sappy 3-5 month old calves at foot all the hard work has been done. These cows are packed with performance, averaging 624kgs at assessment. Suitable to be foundation females or would be a great additions to any program. NOTE 2 cows and 1 calf with blue eye scaring not considered detrimental.
