	Very nice, quiet heifers to handle. No fuss here
Handled With	Bikes , On foot , Vehicles
Assessor Comments	A very nice, albeit, small line of PTIC heifers. Just surplus to requirements. Preg tested in calf to the low birth weight Angus sire (+3.0) for a predicted August / September drop. Would make a handy addition to any heifer calving program for this coming season. Lovely, quiet heifers to handle - ideal for a small block - very little to do but wait for the calves to drop. Won't disappoint
